Website & CMS

Squarespace, Wix, WordPress, Shopify, website updates, HTML/CSS, accessibility (WCAG 2.1)

Creative Tools

Adobe Creative Suite (Photoshop, Illustrator, InDesign, Premiere Pro), Canva, Figma, Procreate

PROFESSIONAL EXPERIENCE

Front End Developer & Designer Compoze Labs | **2022 - 2025**

- Designed and built apps and websites for clients, including a venture-funded startup and a major Minnesota packaging manufacturer, managing several projects and deadlines at once
- Created a shared design system that kept visuals consistent across projects, and applied WCAG 2.1 accessibility standards

Front End Developer KRUTSCH | **2021 - 2022**

- Built websites, apps and custom Shopify storefronts for clients, keeping branding consistent across platforms

Web Designer (Contract) W2 Films | **2020 - 2021**

- Designed microsites for nonprofit fundraising galas that moved online during COVID: event sites, promotional web assets and livestream viewing pages
- Helped major nonprofits raise over $3 million in 6 months while in-person fundraising events weren't possible

Graphic Designer (Contract) Mlatino Media | **2020**

- Designed billboards, web ads, brochures, social media content, video graphics and other print materials for COVID public-health campaigns
- Helped the Hispanic community stay informed about social distancing and masking guidance

Assistant Graphic Designer Minneapolis Community & Technical College | **2018 - 2020**

- Designed advertisements, web ads, brochures, flyers and social media graphics for school events and campaigns within the college's brand guidelines
- Provided photography for the college's marketing materials

Graphic Design Intern Can Do Canines | **2018 - 2019**

- Designed social media content, web ads, branded print pieces and digital graphics for an assistance-dog nonprofit
